Let's throw the biology of the damn window, right?) He tells Elysia that she is going to keep the baby, that she will not get an abortion, and that she will learn to take care of him. Not that much. That was actually the only good part in the book. All in general, the winner of Ivan of the "Major and Dick" prize of 2014. Elysia also admits that these two men awaken it and she wants to be very with them (healthy and natural) ... and
